Announcement of Srithanya Hospital

Re: Declaration of Honest Intent, Virtue and Transparency Reinforcement

.....

With reference to the determination by the Ministry of Public Health on Master Plan for the Counter Corruption of the Ministry of Public Health for 5 Years Period (2017-2021) and Announcement of Department of Mental Health Re: Policy of Operating Virtue, Ethics and Transparency Creation, Emphasis on Anti-Corruption Culture Creation, Upgrade of Good Governance in Integrated Administration of Anti-Corruption Process Reform.

Srithanya Hospital therefore announces the intent of honest, truthful, moral and transparent hospital management and determined the policy for observance as practical guideline as follows.

1. Transparency. Srithanya Hospital shall administer in the areas of integrity, justice, and verifiability, and give people who are the service users and stakeholders the opportunities to be able to participate in determining and expressing their opinions toward the agency operation for operating improvement and development.

2. Responsibility. The organizational culture that adheres to the system under accountability, verification preparedness and responsibility on the operated matters, shall be created.

3. Corruption-Free Operation. All types of corruptions shall not be accepted and ignored. Srithanya Hospital shall be prepared to execute corruption suppression.

4. Organizational Culture and Virtue. The foundation and implantation of the attitude in applying "sufficiency, discipline, honesty and public mind" of the country and of the Ministry of Public Health (MOPH) shall be systemized as the foundation of anti-corruption culture creation.

5. Working Virtue in the Agency. Virtue, ethics and consciousness in administration of the organizational executives and personnel shall be reinforced to focus on the common interests.

6. Internal Communication of the Agency. Internal communication system shall be promoted and developed by applying modern technologies to provide the channels where the service users, stakeholders, people and internal personnel of the agency can openly, rapidly and properly access related news information.

Therefore, this is announced for acknowledgement all together.

Announced on the 20 day of March 2018.

(Mr. Sirisak Thitidilokrat)

Director of Srithanya Hospital
